

Dear Parents and Guardians,

Thank you for your interest in the MetroWest YMCA Out of School Time Programs. We provide care for children who attend every public elementary school in Framingham. Our programs are non-discriminatory and based on the YMCA philosophy of providing fun, developmentally appropriate learning opportunities. We are committed to providing the highest quality programming possible for children in our care.

We provide special classes, activities, and games that encourage children to learn at their own level through exploration, experimentation, and individual interest. We offer a daily choice of gym and/or playground activities and art projects, as well as free play, quiet time, and math games. Children receive a daily afternoon snack and supervised homework period.

Currently, our OST programs are housed at six Framingham elementary schools: Barbieri (also serving Wilson students), Brophy, Dunning, Hemenway, McCarthy, and Potter Road (also serving Stapleton students). Before-school care is available at Barbieri, Brophy, Dunning, Hemenway, and Potter Road Schools. Unfortunately, transportation to other schools is not available in the mornings. Out of School Time programs run from school release (1:00/2:15/3:00 PM) until 6:00 PM. Before-school care operates from 7:00AM to 9:00 PM and is based on a minimum enrollment.

Early release days are still adjusted for, and included in the cost of the program. For an additional fee each, all program participants are eligible for Vacation Day Care and Snow Day Programming.

If you wish to enroll your child, please fill out the enclosed registration form and return it with a **non-refundable** \$50.00 registration fee to:

Out of School Time Programs
