

Early Childhood Centers

We're Accredited!

In 2005, the National Association for the Education of Young Children awarded accreditation to our Old Connecticut Path Center in recognition of our high-quality early childhood program. The NAEYC administers the largest and most widely recognized accreditation system for all types of early childhood programs. So when you're looking for the best care for your child, the MetroWest YMCA is here for you.

Kayte Gorski, Director 508-626-4084
 kgorski@metrowestymca.org

This years round program is partially subsidized for members of the FSC Community including faculty, staff, students, and alumni.

MetroWest YMCA Early Childhood Centers provide full-day, high quality early education and care throughout the year. We provide a safe and supportive environment that fosters the physical, cognitive, linguistic, emotional and social growth of children, and supports and strengthens families. Part-week and full-week programs are available for preschool and pre-kindergarten classrooms. Our full-week toddler care is only available at our Framingham Branch.

Children develop in many different ways and at many different times. We are committed to being sensitive to each child's growth and development. We are also sensitive to those children who are developing with disabilities. The MetroWest YMCA early childhood educators work to establish an atmosphere that enables all children to explore and grow.

Early Childhood Center activities are designed to put learning in the context of play and to celebrate the joys of learning and growing. They include gross motor and language activities, sensory experiences, creative expression, learning through hands-on exploration and acquisition of self-help skills. Our curriculum addresses each child's developmental needs and interests and emphasizes the YMCA character values of caring, honesty, respect, and responsibility. By working together with families to create individual child goals we are able to design activities that help each child grow and succeed. Children feel safe and supported while learning, exploring, socializing and enjoying themselves. They are encouraged to be social, to feel empowered and to participate in hands-on learning activities. Children have opportunities to test themselves through action and performance, which enables their brains to mature and help them learn how to solve problems, make sound judgments and try on broader responsibilities. By participating in a large variety of engaging activities that support all areas of development, children will be more prepared for school. Our programs provide safe and reliable environments for kids to select and develop new interests . . . while they have fun!

Children enjoying a story read by Bob Johnson, Framingham Branch Executive Director.

Out-of-School Time (OST) Programs

OUT-OF-SCHOOL TIME (OST) ELEMENTARY AGED CHILDREN FRAMINGHAM

Schools: Barbieri, Brophy, Dunning, Hemenway, McCarthy, Potter Road
Also serving: MetroWest Jewish Day School, Stapleton, & Woodrow Wilson.

OST Enrollment Coordinator: Melissa Aulds
508-879-4420 x46

Hours of Operation:
2,3,4 & 5 day programs available
Mornings: 7:00 until start of school
Afternoons: school release -6:00 pm

Serving children in full day kindergarten through 5th grade. Hours are adjusted for early release days. Out-of-School Time (OST) programs are also available for vacation and snow days.

Our programs are staffed with highly trained educators. We maintain a ratio of one educator to ten children. The OST program offers a fun & safe environment where children learn many life skills

Each day is carefully created to engage the children in various activities including literacy, problem solving, math games, art, and science. Children receive a daily choice of playground / or gym activities, free play and quiet time. Each site offers an afternoon snack, a supervised homework period and enrichment clubs such as drama and chess.
