## Where Members Make The Difference

### Partners With Youth

*Raising our community's standard of living, learning and striving.*

At the MetroWest YMCA we build strong kids, strong families, and strong communities. We have something for everyone, from the family of a preschooler who requires full-time child care to the senior who desires physical activities and companionship. No matter what community you live in there are families who need support.

**Donations to Partners With Youth help fund financial assistance, providing scholarships so that we are able to open our doors to everyone, regardless of their ability to pay.**

We invite you to **join with us by participating in our annual Partners With Youth campaign** and **give the gift that will make a difference in someone's life.**

Please use the attached form below. Thank you for your support.
