Fostering friendships is vital to the camp experience. To ensure campers develop meaningful relationships, they are grouped by age and each group participates in frequent teambuilding and leadership activities. We are committed to creating a camp community that promotes healthy friendships amongst all campers and staff.

OUR COMMITMENT

The YMCA is committed to the healthy development of children through a range of programs that capture their imaginations, instill positive values, build self-esteem and teach fundamental skills. YMCA Camps are one of the most powerful ways for your children to learn lessons that will serve them throughout this summer and their lives, we invite your family to join us to be a part of something very special.

We appreciate the feedback that we received from the families that completed our survey about Camp 2016. As a result of your input, campers can look forward to more variety in activities, new friendships and increased confidence in 2017.

MY FIRST SUMMER CAMP

WELCOME CAMPERS!

Dear Parents & Campers,

Swim, play, laugh, and learn is what My First Summer Camp is all about. With the summer months just around the corner, we are excited to have your child grow and have fun at the YMCA. Thank you in advance for choosing My First Summer Camp for your child's camp experience.

My First Summer Camp campers will be guided by trained YMCA staff with a staff ratio of 1:5. This is the perfect introduction to the camp and group experience. All staff go through an extensive reference and criminal background check. A certified Y staff person with First Aid, CPR, and AED will always be on site. Camper safety, both physical and emotional, is of the utmost importance to us.

This half day program features fun filled weekly themes and campers dress up on Fridays. Past themes have included: Disney, Seasons, Superheroes, Outerspace, Pirates and Wild West. Weekly themes will be announced as we get closer to the start of Summer Camp.

This is the perfect camp for the first time camper. Campers will learn and play a variety of sports, participate in arts and crafts, structured swim and story time.

We look forward to seeing you this summer!

CAMP OCP

A Summer Learning Program

CAMP OCP DETAILS

Who: All children who are entering first through sixth grade are welcome!

What: One-week theme based sessions that are focused on fun and exciting hands-on STEM (Science, Technology, Engineering, Math), ELA (English Language Arts), and art education activities that incorporate theme based books and field trips, as well as water play, swim lessons, and a wide variety of engaging activities that take place both inside and outside.

Our camp days begin and end with time where campers can choose from a variety of different activities such as arts and crafts, board games, field activities, and gaga ball. At 9:00, the morning meeting kicks off the core camp day. Children break into their camp families and participate in swim lessons, sports and other physical activities, group team-building games, and project-based enrichment activities linked to the weekly theme that support summer learning.

Where: Drop off and pickup occur at the back field at our home-base the Framingham Branch of the MetroWest YMCA at 280 Old Connecticut Path, Framingham, MA 01701. During the course of each week, we go to various locations such as Clearbrook Family Swim Club for swim lessons, Framingham Public Library, and McAuliffe Charter School and field trip locations.

When: June 19-August 25, 2017

Weekly session run Monday – Friday from 7:30am – 6:00pm. Drop-off is from 7:30-9:00am and pick-up is from 4:30-6:00pm.

In the event that snow days extend the school year beyond June 16, the first week of camp will be prorated to reflect the amount of days your child's school is not in session.

Why: All Y camps focus on providing a nurturing environment in which every child can build strong relationships as well as a sense of belonging and achievement. As a summer learning program, Camp OCP emphasizes preventing summer learning loss and helping children retain and develop the skills they've worked on at school during the year. This means that months of gains in reading and math don't disappear, and children can pick up ahead of where they finished instead of needing to relearn information that they have forgotten.

Camp OCP provides hands-on, fun enrichment activities designed to engage young brains while making sure every child makes friends and has fun! In addition, our staff are trained to help children develop the character skills they need to grow into successful, happy adults.

Other benefits of participation that last year's families reported significant improvements include: swimming ability, motivation to learn, confidence, and interest in volunteering/helping others.
