THE Y

The MetroWest YMCA is a cause driven charitable organization that is for youth development, healthy living and social responsibility.

- **Youth Development**, because young people need caring adults to provide support, guidance and encouragement as they grow.
- **Healthy Living**, because wellness in spirit, mind and body strengthens our very being and enhances our interactions with others.
- **Social Responsibility**, because we truly are in this together, and together we can harness our individual strengths and bring about positive change around us.

For over 50 years the MetroWest YMCA, with branches in Framingham and Hopkinton, has helped members improve their health and well-being while building a stronger sense of community.

GET STARTED

We know firsthand how difficult it can be to find balance in life. That's why we're here with you every day making sure that you, your family and our community have the resources and support needed to learn, grow, and thrive.

MEMBERSHIP

More than just a gym, a pool, or a place for fitness, Y members experience a sense of belonging that can't be found anywhere else. **With a mission centered on balance, the Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests.** As a result, thousands of people, just like you, are receiving the support and resources they need to engage in healthy lifestyles! **Be part of something that is good for our whole community!**

FINANCIAL ASSISTANCE

The Y believes finances should not be an obstacle to living a healthy lifestyle. The Y offers financial assistance which can be used to help cover the cost of YMCA membership and programs. Please visit our website at metrowestymca.org/assist to see if you qualify and for more information. Funds are secured by volunteers during the YMCA's Annual Campaign.

GET INVOLVED

With a focus on developing the potential of kids, improving health and well-being and giving back and supporting our neighbors, your participation will not just bring about meaningful change in yourself, but in your community too. **Here are some of the ways you can get involved.**

VOLUNTEER OPPORTUNITIES

When you volunteer at the Y you take an active role in bringing about meaningful, enduring change right in your own neighborhood. As a program volunteer, board member, community board member or Annual Campaign fundraiser, you can make a difference for our Y and the community as a whole.

JOB OPPORTUNITIES

Visit metrowestymca.org/employment for open positions in our staff family.

TOGETHERHOOD

A Member-led Community Service program

Togetherhood is the YMCA's Signature Program for Social Responsibility. We invite Y members to activate your social responsibility by participating in the Y's cause to strengthen our community.

The program is run through individual Y branches as a partnership between a committee of members and a Y Staff Advisor. It is designed to be a simple, fun and rewarding way for members to identify ways that they can give back and support their neighbors through their own ideas, skills and energy, and the network of the Y. If you are interested in participating, please email, enews@metrowestymca.org for more info.

HIGH FLIGHT PROGRAM

What is High Flight?

Established in 1998, High Flight is an adventure-based program designed to develop self-confidence and social skills in youth and teens. The program adopts the philosophy "to try is to succeed," encouraging and empowering all participants to challenge themselves and push their limits while in a safe and accepting environment.

Each session, families are encouraged to attend activities designed to foster positive relationships and support their youth's development. Families are encouraged to communicate with the staff about their youth's progress in the program. Every session, High Flight participants develop a sense of responsibility and connection to their community by taking part in a service project such as trail maintenance, conservation initiatives, recycling and other volunteer efforts.

How Do I Participate?

Youth and teens ages 12-17 are referred to the program through school counselors, social service agency or community organizations. Parents can also make referrals.

General Info

High Flight runs three 10 week sessions during the school year as well as two 4 week sessions during the summer. During the school year groups meet up to 2 times after school until 6pm. Groups also meet every other Saturday from 10am-4pm.

Each 10 week session includes an overnight camping trip as well as a three day backpacking trip at the end. The MetroWest YMCA can provide limited transportation to and from local schools or the Framingham YMCA. Due to time and logistical restraints some families are requested to provide transportation to the Family Outdoor Center in Hopkinton. The program fee is based on a tiered pricing scale, according to the families' income. Financial Assistance is available for those who qualify. All equipment is provided as are some personal items according to need.

LIVESTRONG

More than 12 million cancer survivors live in the United States, and 3 out of 4 families will help care for a family member with cancer. Recent medical research has shown that exercise can counteract the often debilitating side effects of cancer treatment. When cancer survivors participate in moderate levels of physical activity, fatigue is reduced, physical strength is increased and quality of life is significantly improved. Unfortunately, many cancer survivors do not engage in any activity during and after treatment because they don't know where to go for the special kind of program they need.

LIVESTRONG® at the YMCA is free, 12 week program designed for small groups of adult cancer survivors. The goal of the program is to help participants build muscle mass and strength, increase flexibility and endurance, and improve functional ability. Additional goals include reducing the severity of therapy side effects, preventing unwanted weight changes and improving energy levels and self esteem. The program is led by our staff that have been specially trained in the physical and emotional needs of cancer survivors.

When a cancer survivor walks through our doors, they will become a part of the YMCA family. LIVESTRONG® at the YMCA will engage cancer survivors by focusing on the whole person and will provide a supportive, community environment where people affected by cancer can connect during treatment and beyond.

For more information about LIVESTRONG® at the YMCA, please contact Laura Gilbert at (508) 879-4420 x32.
