Schedule subject to change

<p align="center"><b><u>BALANCE CLASS</u></b></p> <p>Many seniors have a fear of falling that may restrict Activities of daily living. Come join the wellness staff and improve your balance. Class takes place in the Spirit, Mind &amp; Body room.</p>	<p align="center"><b><u>SLOW FLOW YOGA</u></b></p> <p>Come reconnect with your body and mind. Simple step by step verbal cues will allow you to enter into poses gradually working at your own pace in coordination</p>
<p align="center"><b><u>GENTLE HATHA YOGA</u></b></p> <p>This class moves through gentle yet strengthening postures and breathing exercises so you become more centered in your body and learn to relax.</p>	<p align="center"><b><u>CHOPRA YOGA</u></b></p> <p>Based on Deepak Chopra's best-selling book, "The Seven Spiritual Laws of Success" Chopra Yoga focuses on integration and balancing all the layers of our life. Regardless of the style you practice, whether you are new on the path of yoga or hoping to deepen your knowledge of Chopra Yoga.</p>
<p align="center"><b><u>INSPIRED YOGA</u></b></p> <p>Every level is welcome to this moderately paced vinyasa (flow) class that combines breath work, movement, balance and intention with a focus on improving strength, stability, and flexibility.</p>	<p align="center"><b><u>YOGA FOR THE BACK</u></b></p> <p>A yoga class with a set of awareness exercises to help you learn more about your back. You will practice modified yoga poses to strengthen and gently stretch the neck, shoulders, upper and lower back, hips, and knees.</p>
<p align="center"><b><u>PARENT &amp; YOUTH YOGA</u></b></p> <p>A yoga class for the family to strengthen muscles, increase flexibility, improve breathing and create new shared family time. Come explore a variety of yoga postures for improved sense of balance, energy and overall well being.</p>	<p align="center"><b><u>YOGA FOR KIDS</u></b></p> <p>This workout uses body bars, dumbbells, and a variety of other resistance training tools. Moderate and light resistance with lots of repetitions. Tone, strengthen and define every major muscle group.</p>
<p align="center"><b><u>PILATES</u></b></p> <p>60 minutes; uses controlled movements focusing on the "core" muscles to increase total body strength and flexibility. This class is usually done in the form of mat exercises.</p>	<p align="center"><b><u>YOGA FOR TEENS</u></b></p> <p>A fun introduction to yoga. This class will focus on building strength, increasing flexibility, balance and concentration. Yoga will also help teens with stress management, decision making and acceptance, skills which will assist in all areas of their lives.</p>
<p align="center"><b><u>PILATES &amp; CORE DYNAMICS</u></b></p> <p>A combination of pilates and some core standing exercises for total body control, strength, and flexibility</p>	<p align="center"><b><u>YOGA WITH COMPASSION</u></b></p> <p>This class is for anyone new to yoga, recovering from an illness, or newly diagnosed with an illness. You will be guided through breathing exercises, guided imagery and deep relaxation. If you are dealing with a sense of fear, anxiety, anger or depression this class can help. Using a chair in this class will be an option.</p>
<p align="center"><b><u>WILL POWER METHOD</u></b></p> <p>This workout is as philosophical as it is physical; A full-body functional workout using the smartest and safest barefoot training methods to strengthen your feet while progressively correcting imbalances in your ankles, knees, and hips.</p>	<p align="center"><b><u>TAI CHI</u></b></p> <p>Tai Chi is a series of slow graceful movements designed to release tension and improve energy in the body. Tai Chi unifies the mind, body and spirit with deep breathing and mindfulness practice which Promotes good health and creates a deep sense of relaxation and overall well being</p>
<p align="center"><b><u>POWER YOGA</u></b></p> <p>In this class you will learn the basics of vinyasa yoga with power movements. You will also explore more challenging postures as the session progresses. All levels welcomed as this class moves from beginning power yoga poses into intermediate poses</p>	<p align="center"><b><u>ZUMBA FOR KIDS</u></b></p> <p>Kids love to crank up the music, shake, and wiggle and have a blast with their friends. In this 45 minute class we'll get those Zumba for kids bodies moving with a fun warm-up! We'll then move from song to song with the best Zumbatomic music and routines.</p>
<p align="center"><b><u>SIMPLY YOGA</u></b></p> <p>If you have never tried yoga or are experienced in yoga this class will help you open doors to various types of yoga to help you relax and rejuvenate.</p>	<p align="center"><b><u>ZUMBA FOR SENIORS</u></b></p> <p>60 minute class of up lifting latin beats with some current hits geared to beginners and active older adults.</p>
