MetroWest YMCA's Annual Community Campaign

Partners With Youth

"Raising Funds to Provide Financial Assistance to those in need"

The MetroWest YMCA is a charitable community organization providing opportunities for every person to use the YMCA, regardless of income.

We count on the generosity of our members and the community to help people of all ages and from all walks of life be more healthy, confident and secure. Your generous donation to the Partners With Youth annual community campaign will allow us to continue providing financial assistance to children, families and adults who would otherwise be financially unable to participate in our programs.

In 2011, the Y distributed over \$800,000 in financial aid, helping more than 2,500 people.

- A gift of \$100 helps a child learn to swim
- A gift of \$150 provides assistance for a child to become a Y member
- A gift of \$250 helps provide early childhood education for a struggling family.

We invite you to join with us by participating in our annual Partners With Youth campaign and give the gift that will make a difference in someone's life. Your donation will have a meaningful, enduring impact right in your own neighborhood.

The camp runs for ten weeks every summer, which includes a week of staff training, four two-week sessions, and one final one-week session. In 2012, our mandatory staff training week begins on Monday June 18th, and the last day of camp is Friday, August 24th.
