Dear YMCA Families,

Welcome to MetroWest YMCA’s Summer Day Camp at the Family Outdoor Center! Summer camp is the perfect place to explore the great outdoors, learn new skills, foster independence and meet new friends. Whether this is your first summer with us or your seventh, each summer guarantees you fun, laughter and new adventures. We know that there are many choices for summer camps, and we hope that you choose the Y. We think about camp 365 days a year and lucky for us, camp is right around the corner. Each year at our camp, we strive to find the magical balance between celebrating our past and building our future.

New for the 2020 Summer Camp season:
• Registration dates will be based upon the Village your camper is in.
  • Juniors Village (ages 3-Grade 2) member registration will begin on Monday, Jan 20
  • Middlers Village (Grades 3-5) member registration will begin on Wednesday Jan 22
  • Seniors Village (Grades 7-10) member registration will begin on Friday, Jan 24
  • Non-Member registration will begin on Monday, Feb 17
• Increased specialty camp offerings for younger campers including STEM, LEGOS, Sports and Pioneer Camps.
• Teens! Exciting updates for Senior Village Camps.
  We recognize that pre-teens and teens want built in down-time, freedom and a little less structure and more opportunities to choose how they spend their summer days. This year, senior campers will be given the opportunity to create a schedule and choose activities on a rotating basis. We are exploring new activities and looking for fresh and fun ideas! We will email a survey to last year’s oldest Bob-O-Link, Adventure and Sports campers to see what activities they might be interested in. A few ideas we’ve come up with are....hammock city, stand up paddle boarding, Frisbee golf, advanced target sports and more. Please watch your email in-boxes for our survey, and let us know any teen activities you might like to participate in next summer!

For those of you that are new to the MetroWest YMCA Summer Day Camp, our camp offers:
• Flexible 1 week options for nearly all of our camp programs.
• Continued social media and online presence giving families an inside look at a day at camp.
• Family Fun Nights throughout the summer for parents and families to join in on all the fun camp has to offer.
• Professional Role Models engaging with your camper each and every day in a positive environment.
• Participation in Choose to Be Nice, a movement dedicated to encouraging and inspiring kindness through literature, hands-on learning activities, discussion, reflection, and extensions.
• Campers participate in programming that is aligned with our Achievement Program; providing opportunities for all to succeed and achieve!
• Our staff will inspire self-confidence and self-respect, encourage and support positive growth and development, and create a camp home for all through our core values of caring, honesty, respect, and responsibility.

Summer will be here before we know it. We hope to see you at one of our Camp Tour Days on March 21 and/or May 2. If you have any questions please reach out to our Summer Camp Team. We look forward to welcoming you and your camper to the Y Camp Family!

From all of us at the Hopkinton YMCA Family Outdoor Center

Our Junior Village Campers’ experience at camp is a special one! Campers are placed in groups of 10-15, with a staff ratio of 1:5 or 1:8. Junior Village Campers get a little taste of everything as they are exposed to the wonders of camp and the outdoors. You will be amazed at your camper’s social, emotional, and physical growth after their time with us! Campers in this program are taught the importance of friendship, teamwork, and community, while gaining their own independence as they discover their varying interests.

Sports, canoeing, archery, and high and low ropes, among other areas are all modified to meet the needs of our oldest campers’ experience. An emphasis is placed on campers developing problem-solving skills, building self-confidence, understanding the value of being a part of a community, and working together to achieve goals. By the end of their time with us, Seniors Village Campers will have learned to strengthen their communication, team building, and leadership skills. Seniors Village Campers are given freedom, resources, and support in choosing how they spend some of their time at camp, creating an experience designed by themselves. It is in Seniors Village when campers begin to have an opportunity to travel off-site as part of Adventure Plus or On the Road.
The MetroWest YMCA Specialty Camps are designed to give campers a unique experience in a specific area of interest. Campers spend the majority of their day involved in projects, hands-on activities, and games that broaden their understanding and knowledge of the theme of their specialty camp. COUNSELOR IN TRAINING
Entering Grades 7-10

The LIT and CIT program goals are for teens to develop leadership skills and work with younger campers while experiencing what it’s like to work in the summer day camp environment.

Leader-In-Training (LIT)
Entering Grades 7 & 8, Two Week Sessions
July 13 – July 24
July 27 – August 7
August 10 – August 21
The LIT (Leader-In-Training) program is designed to build leaders both at camp and within their community. At the core of the program is their own personal growth and development in leading others, learning different roles within a team, project planning, and communication with others. LITs will participate in a number of activities that are aimed at building their own unique leadership skills; team building, values sessions, positive role modeling and problem solving. They will be with our In-Training Corps Directors throughout their camp day for the two week session. LITs are not directly assigned to groups with other campers like CITs but will instead assist specialists in leading a few activities.

Eligibility for LITs:
• Entering grades 7 and 8
• Complete and submit an LIT Program Application
• Commit to the full two week program
• Have a desire to learn, grow and work together with others in a small teen community.

COUNSELOR-IN-TRAINING (CIT)

The In-Training Corps Directors will connect with CITs throughout their summer giving guidance and feedback, written evaluations, and support. The valuable experience gained in the CIT program is often used on college entrance essays, for community service, and future employment in the community. Outstanding CITs may be selected by the Camp Director to return as Cadets once they are 15 years old and considered for employment as counselors once they turn 16.

Eligibility for CITs
• Complete and submit a CIT Program Application
• Complete an in-person interview
• Completing the LIT program is not required
• Commit to the full training (6/24– 6/28)

• Have fun serving as role models by making an impact in the lives of our campers.
• Create friendships that last a lifetime while you are mentored by professional YMCA role models.
• Develop skills in communication, conflict resolution, problem solving, child development, behavior management, planning, preparing, and leading activities with children of all ages.

HEALTH AND SAFETY
Health Forms: Massachusetts State Law requires each camper to have a physical examination and current record of immunization signed by his/her physician. Campers are required to have had a physical examination within 12 months of arrival at camp. You will complete this process in our online CampDoc system. You will need to convert your child’s physical and immunizations to an electronic file (i.e. pdf, jpeg, scanned, etc.) Campers will not be allowed to attend camp without a 100% complete CampDoc record.

Safety: Two health care professionals are on camp at all times. Many of our staff is CPR and First Aid certified. Pool and waterfront staff are certified lifeguards and our facility is equipped with two AEDs. Safety equipment such as helmets, harnesses, and life jackets are mandatory for certain camp activities. All necessary safety equipment will be provided by the YMCA. Sneakers or closed-toed shoes are mandatory for participation in all non-water activities.

Food/Water Bottles to be brought from home for each camper. Water is available throughout camp. No refrigeration or microwaves are available. With allergies ever increasing for children, we do ask that you please DO NOT bring any peanut food items to camp.

FINANCIAL ASSISTANCE
Within its available resources, the MetroWest YMCA will provide summer camp and membership regardless of a family’s ability to pay. Partial financial assistance through our ASSIST program will be awarded to those who can demonstrate their inability to pay the full fee. Funds are secured by volunteers during the YMCA’s Annual Campaign. Visit member services or download an application online. Please apply before registering.
