LITs are campers and they will also spend a portion of their day engaged in camp activities like swimming, sports, art, and adventure.

To Apply:

- Register online for one two-week LIT session

"The CIT program showed me patience, gratitude, and maturity. I thank everyone for helping me learn how to work through any challenges I encountered." – Rachel, 2024 CIT

Camp Leadership & Staffing

The safety and well-being of your child are our highest priorities. Before the camp season begins, all staff undergo a comprehensive screening process and participate in an in-depth training program. This training covers essential areas such as CPR & First Aid, youth development, child guidance, activity planning and a Youth Mental Health & Inclusion Certification. These measures ensure our staff are fully equipped to create a safe, supportive, and inclusive environment for all campers. Throughout the summer, staff are closely supervised by experienced, year-round YMCA professionals and receive continuous, hands-on oversight from our Executive Leadership team, which brings over 40 years of collective YMCA camp expertise.

Our Commitment to Inclusion

The MetroWest YMCA is committed to making its programs accessible to all children, including those who may need accommodations or extra support. Parents value the YMCA's focus on creating a safe, welcoming space where children feel comfortable. Families are encouraged to share any challenges or needs, helping us tailor support for each child's success.

"The staff were amazing at helping individuals with disabilities feel included. I was impressed with their responsiveness and help with my child."
– Hopkinton Camp Parent

Counselor-in-Training (CIT)

Entering grades 9 & 10

Counselors in Training (CITs) is for teens who want to join a working team and leadership community. CITs receive mandatory training and assist counselors with camp groups and activities. Unlike the LIT program, CITs focus solely on workplace readiness and leadership rather than traditional camp activities, except for daily swim time. CITs gain skills in workplace readiness, youth engagement, and community leadership. They learn Y policies and are considered for employment at 16 if they excel. CITs shadow leadership roles and attend regular meetings for guidance, ending their summer with a celebratory field trip.

To Apply:

- Complete and submit a CIT Program Application
- Attend an in-person information session
- Formally register online once accepted
- Attend mandatory training 1st or 2nd week
- Choose four additional weeks

Our Commitment to Food Access

The Y prioritizes fresh, wholesome foods, often using locally sourced ingredients, to encourage healthy eating. Snacks include a fruit or vegetable and another food group, while meals cater to various dietary needs. Menus may change based on availability.

All food is prepared, served, and stored following USDA and Summer Food Service Program (SFSP) guidelines, as well as HEPA (Healthy Eating and Physical Activity) standards.

The USDA is an equal opportunity provider. If you have questions or concerns, or would like to make us aware of any food allergies, please contact Maggie Lynch, RDN, LDN: MLynch2@metrowestymca.org
