SCHOOL'S OUT

**282 Old Connecticut Path
Framingham, MA 01701
Phone: (508) 879-4420 x251
Email: earlylearning@metrowestymca.org**

The MetroWest YMCA's Before and After School Program, School's Out, serves elementary school youth in Ashland, Framingham, Hopkinton, Natick, and Wayland. The Program nurtures your child's development by providing a safe place to learn foundational skills; develop healthy, trusting relationships; and build self-reliance. Our curriculum includes a focus on SEL (Social and Emotional Learning), which includes daily opportunities for children to learn about, practice, and gain real world skills in the areas of emotion management.

Slots are available Monday through Friday with 2, 3, 4, and 5-day options. After-school programs serve children from school dismissal until 6:00 PM at all locations. Our before-school program serves Hopkinton Elementary School students at Marathon School from 7:00 AM until school starts.

Visit our [website](#) to learn more.

PROJECT ABC – FREE PLAYGROUPS FOR FAMILIES

Project ABC hosts free playgroups for children ages 0-5 throughout the MetroWest community that help guide children's social-emotional development, cognitive development, language and communication, and physical health and well-being.

Project ABC is a Coordinated Family and Community Engagement (CFCE) grant program funded by the Department of Early Education and Care (ECC) and managed by the MetroWest YMCA.

Powerful Girls Jr.

Powerful Girls Jr. is an empowering program designed for girls ages 7-9 to build strength, motor control, and confidence in a fun, supportive environment. Each class will have a warm-up, skill/strength focus, and cool down.

Ages 7-9

Wednesdays, 4:00 PM – 5:00 PM

Powerful Girls

For young girls looking to start exercising, this class teaches total body movements using different techniques and helps to build confidence. Each class does a dynamic warm-up, 2-3 strength moves for the upper or lower body using equipment like a barbell, dumbbells, or kettlebells, explore a new piece of equipment like the sled or the battle ropes, and finish with abs and stretching.

Ages 10-13

Wednesdays, 4:00 PM – 5:00 PM

Youth Boxing

Get ready to move, punch, and have fun! In this action-packed class, you'll learn beginner boxing skills, try out cool moves, and use safe equipment to build strength and coordination. Boxing is a fun way to get your heart pumping, stay active, and feel confident.

Ages 9-11

Sundays, 11:30 AM - 12:30 PM

Kids Strength Training

Kids will learn the basics of strength training using kettlebells, dumbbells, and barbells. They'll learn how to properly perform movements like bench press, squat, and deadlift as well as other upper body and lower body push and pull movements to support overall strength development.

Ages 10-13

Tuesdays, 5:00 PM – 6:00 PM

Teen Boxing

Boxing is a fun, cool way to exercise! You'll learn various techniques, improve your cardiovascular fitness, become familiar with different movements, and use equipment to defend yourself.

Ages 11-16

Thursdays, 5:00 PM - 6:00 PM

Advanced Teen Boxing

This class is designed for teens who have taken Teen Boxing and developed a foundational understanding of boxing technique. It will focus on refining advanced boxing techniques and improving strength and conditioning.

Ages 11-16

PARENT/CHILD

Parent/Child A: Ages 6-24 months

Accompanied by a grown-up, infants and toddlers will grow comfortable in the water and develop swim readiness skills through fun, confidence-building activities. Adults will learn about water safety, drowning prevention, and the importance of supervision.

Saturdays: 9:10 AM - 9:40 AM **Sundays:** 9:45 AM - 10:15 AM

Parent/Child B: Ages 2-3

Accompanied by a grown-up, children will prepare for the transition to preschool-level aquatics by engaging in purposeful movement, guided by audio and/or visual cues to enhance their readiness and water confidence.

Tuesdays: 10:00 AM - 10:30 AM **Saturdays:** 10:20 AM - 10:50 AM
Thursdays: 4:15 PM - 4:45 PM **Sundays:** 10:55 AM - 11:25 AM

Parent/Child C: Ages 3+

This class welcomes participants over age 3 into the swim lesson program. Swimmers will build on the confidence gained in Parent/Child A & B. Adults will be in the water for support, guidance, and safety, allowing children to challenge their swim and social skills in a group setting. Instructors will encourage kids to practice skills independently, while assuring them that their parents are nearby.

STARTING SOON

YMCA's Diabetes Prevention Program

Our Diabetes Prevention program is a one-year, evidence-based program that helps adults prevent Type 2 Diabetes. Guided by a YMCA Diabetes Prevention Program Lifestyle Coach, participants learn small, measurable changes to reduce the risk for Type 2 Diabetes and live a healthier lifestyle.

Ages 18+ | FREE to all

LIVESTRONG® at the YMCA: Starts January 2026

LIVESTRONG® at the YMCA is a research-based physical activity and well-being program designed to help adult cancer survivors reclaim their total health. Participants work with Y staff trained in supportive cancer care to safely achieve their goals. They'll learn endurance, strength, flexibility, and balance, which helps to improve confidence and self-esteem by focusing on the whole person and not the disease. This is a 12-week program, FREE to anyone living with or beyond cancer treatments. Support/caregivers are welcome.

ONGOING: JOIN ANY TIME

Parkinson's Disease Wellness Programs & Social Hours

Programs are specifically designed to help individuals with Parkinson's disease, MS, or any other neuromuscular conditions to maintain and improve their quality of life. All exercises can be modified to accommodate each individual's needs and abilities. Programs are supported by a community grant from the Parkinson's Foundation, and are **FREE** to all.

Join us monthly in Studio C for light refreshments and the chance to connect with other members and Y staff. Every second Friday of the month from 12:00 PM - 1:00 PM.

YMCA'S Blood Pressure Self-Monitoring

This four-month, evidence-based program helps participants with hypertension lower their blood pressure through blood pressure self-monitoring, nutrition education seminars, and personalized support from a trained Healthy Heart Ambassador. Participants will attend free monthly nutrition webinars. Sessions are provided in person or virtually.

Enhance Fitness - 16 weeks

This evidence-based group exercise program offers simple, easy-to-learn movements designed to deliver cardio exercise, strength training, flexibility, and balance. The goal is to motivate participants to improve overall function and well-being. It may help prevent falls and help with symptoms of arthritis. Class can be done seated or standing, and exercises are modified for individual needs and abilities.

STEM Trailblazers at the MetroWest YMCA

Ignite curiosity and creativity with our hands-on STEM program for students in grades K–12!

Through engaging projects and real-world examples, participants will explore math, science, and technology concepts in action. From science experiments and coding to robotics and AI, every session is designed to inspire discovery and innovation.

Programs are tailored by grade level—K–5, 6–8, and high school—so each student learns at the right pace. All sessions are led by experienced STEM educators and professionals.

CUSTOM TEAM-BUILDING, LEADERSHIP DEVELOPMENT & OUTDOOR EDUCATION

Bring learning and growth to life through adventure! Our expert facilitators design programs that challenge participants to step outside their comfort zone, build new skills, and grow together.

For Schools

Adventure education programs are tailored to meet your learning goals and align with SEL standards. Students gain confidence, teamwork skills, and a deeper connection to nature through guided, hands-on experiences in the great outdoors. Half-day, full-day, and multi-day options available.

For Corporate Groups

Boost communication, trust, and cooperation with high-impact team-building and leadership development experiences. Our activities help teams identify strengths, solve problems together, and bring those skills back to the workplace.
